Deloitte Legal expands its legal network with Jank Weiler Operenyi

As of 1 July 2017, the Vienna based law firm Jank Weiler Operenyi Attorneys at Law will become a member of the international legal network Deloitte Legal. With JWO as member of Deloitte Legal, the comprehensive legal services provided by Deloitte Legal will be expanded to Austria.

Vienna, 27 April 2017 – Deloitte Legal is a rapidly growing network of law firms. With more than 1,750 lawyers in 76 countries, it delivers high-qualified, practice-oriented and cross-border legal services in all areas of national and international commercial law. Through the cooperation with Jank Weiler Operenyi Attorneys at Law (JWO), the Austrian market will be covered by Deloitte Legal as of this summer.

„We are happy to welcome Jank Weiler Operenyi, a young and dynamic law firm, at Deloitte Legal. Consequently, clients coming to the Austrian market will get direct access to highly qualified legal services containing commercial and international know-how“, explains Herbert Kovar, partner at Deloitte Austria.

Expansion of the Range of Services

As an emerging Austrian law firm, JWO focuses on the legal services for national and international clients in the areas Corporate / M&A, Banking and Finance as well as Real Estate. With the integration into the Deloitte Legal network, JWO will be transformed into a full-service law firm offering a broad range of legal services.

„As part of the Deloitte Legal network and because of the associated cooperation with Deloitte, we will continue to offer our clients our familiar personal legal advice – with close integration of the best tax and commercial advisors“, emphasizes Andreas Jank, partner at Jank Weiler Operenyi.

Integrated Advisory Approach

Deloitte Legal understands legal services as an integrated component: In close cooperation with tax advisory, auditing, consulting and financial advisory, Deloitte Legal solves all issues related to commercial law. They support their clients with respect to national and international complex projects and transactions.

„This integrated approach makes us stand out. Due to our one-stop-shop concept we meet the challenges of a dynamic economy. Together with JWO, we will have an important impact in Austria in the coming years“, says Herbert Kovar conclusively.
